Welcome to BPL's Family Literacy Program

Dear Families,

Exploring new ideas and enjoying books together sends a powerful message to your children: Reading and learning are fun and happen everywhere - not just at school. This Family Literacy Book Bundle about SNOW was created to help your family enjoy reading and learning together.

Start your adventure by reading a couple of books with your family. Then explore the topic with a few activities. In this bundle you will find:

- Two books to share together**
- Three related activities with instructions**
- A bookmark with a list of other books to extend the fun if you wish**
- A short survey to let us know if you enjoyed using this bundle.**

Everything in this bundle is yours to keep. Funding for this program was supplied by the Michigan Humanities Council and Bellaire Public Library.
