

[Library Logo]

[Library Name] Menu of Services

Our [Library Name] offer a variety of free programs for classes of all grade levels. Children as young as preschoolers can enjoy story times, literacy activities, and kid-friendly library orientations. Older students can attend book talks, library orientations, and digital orientations that focus on the Library's databases and digital resources.

If your class is doing specific project or exploring a certain topic, our librarians can assist in finding books for your class to read and check out. Teachers are also encouraged to visit us for help with lesson plans or information on using the Library's resources in the classroom.

If you would like to register your students for library cards, you may pick up applications at any [Library Name] location or register online [website link here]. If you have students who have library cards, please remind them to bring their cards on the day of your visit [or to bring their student I.D.].

Our team is also available to conduct visits to schools in our service area by the local library.

To find the library location most convenient to your school, search our website, email [your email], or call [your number]. The [Youth Services Librarian] will help you schedule your visit.

Select all that you would like provided during your visit below:
