

PARTY GAMES

Play some party music and let the games begin! Board games, card games, and Jackbox Games – for groups of all sizes and interests.

PERLER BEADS

A tub chock full of colorful, meltable beads and peg boards for creating pixel-art style designs.

SHRINKY DINKS

Give your teens full creative freedom to create their own designs for keychains, jewelry or magnets. What could be better than making something normal sized before watching it shrink down into something mini?

UNO

5 out of 5 stars. Comes as advertised. Every variety of UNO imaginable conveniently packed into one tub.

Quick Guide to:

**TEEN
TUBS**

90'S CRAFTS

Rewind to a simpler time with crafts and games from the 90's! Packed with nostalgia and supplies for everything from Pogs and cootie catchers to friendship bracelets.

BINGO

Practice your best announcer voice and get ready to call B-I-N-G-O!* Comes with a fun spinning cage, bingo cards, and lots of plastic chips.
*(Dog not included.)

BUTTON MAKER

Nothing screams "STYLE!!" more than a custom button! Teens can design their own or stamp out pictures from comics and printouts included in the tub.

CANDLE MAKING

This tub is ON FIRE!!!* Layer or mix different colors of granulated wax to create hot designs for these custom candles.
*(But not literally.)

DUCT TAPE / BULLET JOURNALS

All the supplies you need for making personalized notebooks and planners. An assortment of brightly colored and patterned duct tapes are great for making flowers, wallets, or whatever weird constructs the teens come up with.

DUNGEONS & DRAGONS

A full adventurer's kit, stuffed with all you need to try your hand at running a D&D session... Or just lay everything out for the teens to embark upon their own quests!

GUMMY BEAR PENDANTS

They're cute! They're sweet! They're not made to eat!* Make adorable gummy-bear shaped charms for jewelry or keychains.
*(No actual gummy bears were harmed in the making of this tub.)

JEWELRY MAKING

A plethora of beads, hardware, cords, and miscellaneous bits and pieces for making bracelets, necklaces, and earrings.

MINI TERRARIUMS

Make your own tiny garden in a jar. Tiny plants! Tiny mushrooms! Tiny animals! And nothing the teens have to keep alive!

NATURE

Help your teens save the planet – one bee house, watering dish or seed bomb at a time.

NINTENDO SWITCH

Live that pro-librarian-gamer life! All the equipment needed to set up an epic Mario Kart or Super Smash Bros tournament. Or set up multiple Switch stations and let the teens choose their favorite games!
