Our goal is to continue cultivating new board members who can expand the board's collective wisdom with a variety of professional expertise, cultural backgrounds, life experiences, and geographic reach, and who can help MLA respond to future needs within the library field.

As we expand our search beyond the customary networks (yes – that includes those of you who have never considered this experience), we want to make sure that you know how dedicated we are to engaging new board members to share their perspectives and opinions – opening the door to different ideas and conversations.

Self-nominations are definitely accepted. Throw your hat in the ring, we'd love to hear from each and every one of you.

The submission deadline is 5:00 PM on Monday, November 7, 2022. Submit a nomination by clicking the link below . For any questions please contact Debbie Mikula, Executive Director at dmikula@milibraries.org
