

Jessica is the Director at Grosse Pointe Public Library and Past Chair of MLA's Advocacy and Legislative Committee. In 2021-2022 she stepped up to serve a 6-month appointment on the MLA Board. When we said goodbye in June 2022, none of us realized how quickly she would be re-appointed. But we are so happy to have her back helping direct and focus our work for the future. Congratulations Jessica and welcome back!
