

Thank you to Jessica Keyser, Director, Grosse Pointe Public Library, and Kate Van Auken, Director, White Pine Library Cooperative whose Member-at-Large Director terms are expiring at the end of June. Thank you both for your leadership, kindness, and wisdom and for giving generously of your time and expertise to help move MLA forward.

Please feel free to reach out to our past and current [Board members](#) to send a note of gratitude for the amazing work they contribute to the library community. If you are considering Board service, we welcome your involvement. Watch for the call for nominations this fall.
