

Meeting the challenges in 2020 and, more importantly, making real progress for Michigan's libraries in the long term requires fresh approaches and a pro-active agenda. The following survey (linked below) will be used by the MLA Advocacy and Legislative Committee to prioritize our agenda and will address what you want us to work on in the coming year. This is by no means an exhaustive list, but one that has been compiled from concerns that have been shared with us in the last six months. If there are other priorities that you deem worthy, please add them to the list.

By completing the survey you will also be giving MLA valuable information to use at our [April 22 Advocacy Day in Lansing](#).

The survey is quick and simple – it will take no more than 10 minutes to fill out and submit. We welcome your feedback and hope to have all responses in hand by Friday, February 14.
