

Libraries Must Develop a COVID-19 Preparedness and Response Plan

May 19, 2020

Updated -- May 21, 2020 -- Governor Whitmer issues [Executive Order 2020-97 - Rescission of Executive Order 2020-91](#) amending the standards set forth in EO 2020-91 to include new provisions governing outpatient health-care facilities.

In accordance with [Executive Order 2020-91](#) all libraries must develop a COVID-19 preparedness and response plan, consistent with recommendations in Guidance on Preparing Workplaces for COVID-19, developed by the Occupational Health and Safety Administration (OSHA).

By June 1, 2020, or within two weeks of resuming in-person activities, whichever is later, a business's or operation's plan must be made readily available to employees, labor unions, and customers, whether via the website, internal network or by hard copy.
