

Governor and Legislative Leaders Reach FY 2020 Budget Compromise

June 30, 2020

On June 29, 2020, Governor Gretchen Whitmer, Senate Majority Leader Mike Shirkey, and House Speaker Lee Chatfield reached a bipartisan budget agreement, which includes adjustments to the fiscal year 2020 budget and allocation of Coronavirus Relief Fund (CRF) dollars. The budget agreement includes modest reductions in current year funding but also provides CARES Act funding for Michigan schools and educators, universities and community colleges, and local governments to address the significant COVID 19 costs they're facing. The FY 2020 budget year for the State of Michigan ends September 30, 2020. The full Legislature must still approve the agreement.
