

We thought you'd like to look in at the raw findings of the Advocacy and Legislative Priorities Survey for 2021-2022 and read through the comments that will help to shape MLA's goals for next year and beyond. The survey results linked here represent over 175 opinions from library personnel throughout Michigan and will be used by the MLA Advocacy and Legislative Committee to prioritize our agenda and address what you want us to work on in the coming year.
